

# Return to Play

## Updated Protocols – from 6<sup>th</sup> Dec 21

### What's the same?

- NNI affiliation
- Signed off risk assessment
- Player Guidelines re attendance & behaviour
- Club Guidelines
- Arrive ready to play
- Self-assessment
- Track & Trace completed
- Temperature Check prior to admission
- Sanitising/hygiene
- Appropriate max numbers
- Encourage social distancing when not in play

### What's new?

- Covid officer can participate... therefore
- Player accountability increased
- In game modifications removed
- Bibs can be shared if required but must be washed between sessions
- Close contacts may return to training provided no symptoms and either double vaccinated OR negative PCR test OR negative Lateral Flow test OR positive PCR within 180 days and following self isolation period
- Face coverings are encouraged if in attendance but not actively involved in the session – eg spectators/parents
