Netball NI recognise that not all schools want to participate in a performance-based league, with the end goal of qualifying for Netball NI Primary School Finals Day at the end of the season.

NNI are excited to continue to offer a competitive league (League A) alongside a development league (League B) to allow schools to play in a suitable league relevant to their experience and confidence*

Please enter the <u>total</u> number of team(s) you would like to enter the into the NNI PS league	
Fees: £60 NNI Affiliation per school PLUS £17 per first team entry & £13 per each additional team(s)	

Please indicate which level you would like your team(s) to play at this year.	
League A (competition league, with play offs/ finals day progression for winners)	
League B (Development league with medals for league winners) -Please note that teams in league B <u>cannot</u> qualify for NNI Primary School Finals Day, nor will there be a separate finals day for league B teams- this is a development league <u>only</u>-
